To

Janab. Syed Abdul Aleem, B A ,
Secretary to Government of Mysore,
Revenue Department, BANGALORE

Sir,

Sub Revision of scales of pay of non-gazetted employees of Closepet Municipality.

I have the honour to state that the Town Municipal Council Closepet have resolved at their meeting held on 20-6-48 agreeing to revise with effect from 1-1-47 the scales of pay of the Municipal establishment in accordance with the revision of scales sanctioned to Non-Gazetted officials in Government Departments.

In this connection it may be stated that the Health Inspector working in the Municipality is only a lent official and has already been given with effect from 1-9-47 the benefit of the revised grade by the Health Department His name must have also been included in the allocation statement of the Health Department. His name has therefore been omitted in the allocation statement of the Municipality, though the claim is included in the proposition statement to arrive at the cost of Establishment

The sweepers employed by the Municipality struck work in August 1948 for non-payment at increased rates of pay in accordance with the revised scales to Government establishments and it was therefore resolved by the Council to draw and disburse to them with effect from 1-9-47 pay at Rs 14/- in grade 14-½-18 which is equal to the revised pay sanctioned to similar kinds of appointments in other Departments and also to dispense with the services of 8 sweepers in view of the extra cost that was involved by the revision and of the financial position of the municipality But subsequentl it is stated, that the sweepers having agreed to work on a pay of Rs, 14/- per mnth for Males and at Rs 9/- per month for females the 8 sweepers whose services were dispensed with were reemployed subject to the condition that in case Government did not approve of the payment of Rs 9/- per month to female sweepers and insisted upon all the sweepers being paid @ Rs 14/- per month in grade 14-½-18.

their services would again be terminated. The question of dispensing with the services of any employee is different from giving effect to the revised scales and it does not appear to be fair to adopt two different scales of pay in one and the same place for the same class of appointment. I have therefore proposed in the proposition and allocation statements enclosed a uniform scale of Rs 14-½-18 for all the sweepers alike.

In these circumstances I request that the revision of scales now proposed may kindly be sanctioned with effect from 1-1-1947 and the action taken by the President, indrawing and disbusring the pay of the sweepers at Rs.14/- per month with effect from 1-9-47 in accordance with the councils resolution may also kindly ratified.

The connected file of records is enclosed for favour of reference.

Yours faithfully,

Deputy Commissioner,
Bangalore District

Sir,

Sub Proposition and allocation statement of the Ramanagara municipality

With reference to your letter No L 8179 dated 18-1-49 I have the honour to state that it was due to a typing mistake that the descrepancy has arisen The correct number is 15 male and 13 female sweepers making a total 28 Necessary correction has been made in the proposition statements

The council have already drawn and disbursed the difference of pay as per revised scale to the employee from 1-9-47 So they have to pay the difference for 8 months only which could be met from the closing balance of the municipality for 1948-49

In the above circumstances I request that the revision of scales now proposed may kindly be sanctioned with effect from 1-1-47
